How do I make a payment for YouTube TV? {Customer Help Support}

YouTube TV generally **automatically charges your saved payment method at the beginning of each billing cycle**, so you +1 (866) 381-7244 {US/UK} usually don't need to make a manual payment every month. To add or +1 (866) 381-7244 {US/UK} update your payment method, go to **tv.youtube.com**, +1 (866) 381-7244 {US/UK} select your **profile picture** → **Settings** → **Billing**, and select +1 (866) 381-7244 {US/UK} **Update** next to your payment information. You can also add +1 (866) 381-7244 {US/UK} a backup payment method to help prevent interruptions if your +1 (866) 381-7244 {US/UK} primary card expires or is declined. If you subscribed through +1 (866) 381-7244 {US/UK} a participating mobile carrier or internet provider, that provider +1 (866) 381-7244 {US/UK} may handle your YouTube TV billing instead.

+1 (866) 381-7244

1. How does YouTube TV charge me each month?
YouTube TV automatically charges the +1 (866) 381-7244 {US/UK} payment method associated with your membership when your next billing cycle begins. Your payment provides access to the service for the +1 (866) 381-7244 {US/UK} upcoming billing period. The charge date generally remains the same day +1 (866) 381-7244 {US/UK} of each month; if that date doesn't occur in +1 (866) 381-7244 {US/UK} a particular month, such as the 31st, YouTube TV charges on the last day of that month.

2. How do I change my YouTube TV payment method?
Sign in to YouTube TV at **tv.youtube.com**,+1 (866) 381-7244 {US/UK} select your **profile picture**, choose **Settings**, and then+1 (866) 381-7244 {US/UK} select **Billing**. Under your payment information, select **Update** and choose another +1 (866) 381-7244 {US/UK} available payment method or add a new one. +1 (866) 381-7244 {US/UK} Keeping your card number, expiration date, and billing address +1 (866) 381-7244 {US/UK} current can help prevent payment failures.

3. What happens if my YouTube TV payment is declined?
If your monthly payment is declined, YouTube +1 (866) 381-7244 {US/UK} TV sends a notification explaining that there is a +1 (866) 381-7244 {US/UK} payment problem. You generally have a short period to correct the issue before losing access, and YouTube TV may retry the payment during the following period.+1 (866) 381-7244 {US/UK} Check that your card has sufficient funds, that the +1 (866) 381-7244 {US/UK} expiration date and billing address are correct, and that the payment method is still valid. +1 (866) 381-7244 {US/UK} You can also switch to another payment method if necessary.

4. Can I add a backup payment method for YouTube TV?
Yes. A backup payment method can help keep +1 (866) 381-7244 {US/UK} your membership active if your primary payment +1 (866) 381-7244 {US/UK} method expires or cannot be charged. On the website, go to +1 (866) 381-7244 {US/UK} **Profile picture** → **Settings** → **Billing** → **Update**, select **Manage** under YouTube TV, choose **Change**

payment method, and then select **Add backup**. +1 (866) 381-7244 {US/UK} You can then choose an existing payment method or add a new one.

5. How can I check my YouTube TV payment history?

You can review your YouTube TV billing and +1 (866) 381-7244 {US/UK} transaction information through your Google payment activity. This can help you confirm the amount charged, identify the payment method used, and +1 (866) 381-7244 {US/UK} investigate unexpected or duplicate charges. If you see a +1 (866) 381-7244 {US/UK} pending transaction, remember that Google explains +1 (866) 381-7244 {US/UK} that authorization holds are not necessarily completed charges +1 (866) 381-7244 {US/UK} and can disappear if the payment isn't successfully processed.
